

PATROL CAR WRECKED

Sleeping Motorist Injures Officers

One of Daly City's two police patrol cars was demolished Saturday morning when a sleep-ridden driver smashed his De Soto into the left front side of the police car.

The accident occurred at School and Mission when the police car had stopped at the arterial sign before turning onto Mission. Officer A. J. Dalton was thrown out onto the pavement, injuring his shoulder. He was shaken up severely. Henry Sundermann jr., the other policeman in the automobile, suffered a cut under the chin, for which six stitches were taken. Both knees were injured striking the dashboard.

Joseph B. Sylvester, the driver of the other car, incurred a broken nose, injured knees, and was badly shaken up. All three were taken to Villa hospital for treatment. Dalton and Sundermann were later taken home. Sylvester was transferred to St. Mary's hospital.

Sylvester's car rammed into the left side of the police car, knocking it against a telephone pole, and careened further down the street to hit another pole.

Sylvester has been charged with reckless driving. Judge Wade H. Clay set bail at \$100.

The two policemen are recovering from their injuries at home and are not expected back at work for at least a week. Both automobiles are total wrecks.

The accident leaves only one patrol car in use by the Daly City police force. Chief James G. Reardon is at present making use of his official car to supplement the remaining patrol car.

"Although the wrecked car may be restored, we cannot use it as a police patrol again," said Reardon. "It is necessary that we get another one."

Jefferson High To Present Public Schools Program

Public Schools Week, dedicated to the spread of appreciation and interest in the American educational system, will be observed in Daly City with a program next Tuesday at Jefferson Union high school auditorium. The program will begin at 8 p. m.

The leading address will be delivered by F. J. McConville, San Mateo high school principal.

Opening the program the high school band, under the direction of Oscar Busch, will play "Morning" and "In the Hall of the Mountain King" by Edvard Grieg.

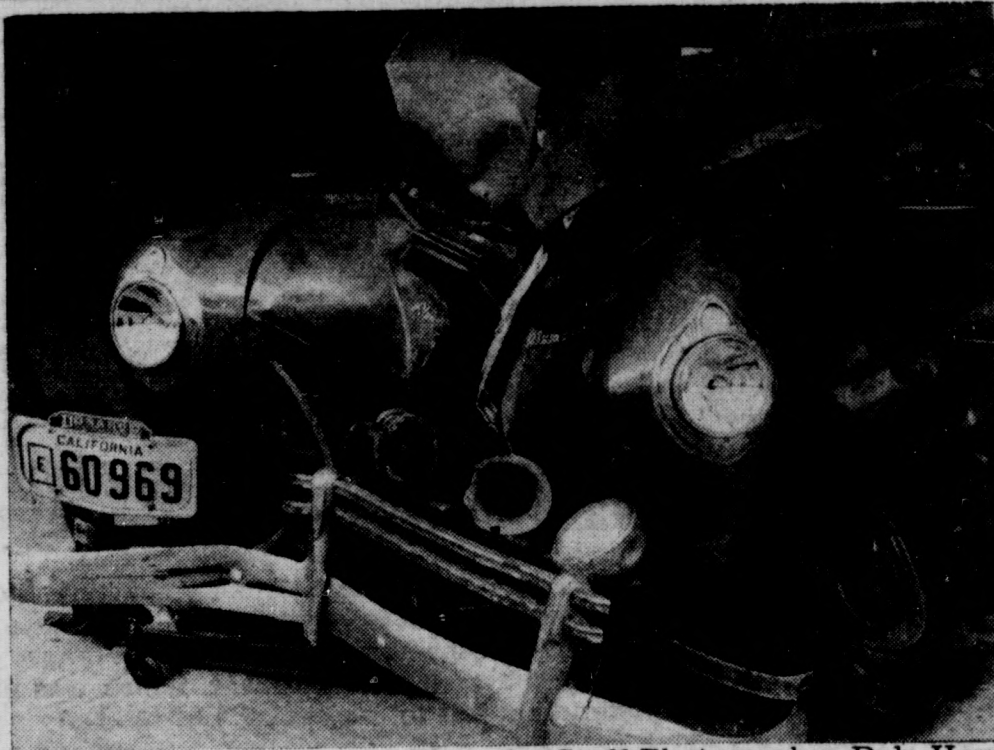

Walter C. Schenk will then take the stage for some remarks on the educational system. He will be followed by the high school chorus singing "As Torrents in Summer" and "The Lord's Prayer." The vocal music is also under the baton of Oscar Busch.

After McConville's address a program of numbers by students at Jefferson Union high school will be the major attraction.

There will be a band number, songs, a dance duet, and a cowboy band, all under the direction of Dante P. Lembi, instructor of Italian at the high school. An acrobatic number has been arranged.

Shown above is the twisted wreckage which is all that now remains of Daly City's once sleek patrol car. The police car was wrecked, and two officers injured, when a speeding car ploughed into it at the intersection of School and Mission streets. The driver of the other car had fallen asleep.

The patrol car was so thoroughly wrecked that it will be necessary to procure a new one. All damages were covered by insurance.

Joe's Mkt. Scene Of Spectacular Robbery Last Week

A long rope found by police in the alley behind Joe Zacheo's Market, 6001 Mission street, indicated the spectacular method by which the grocery store was entered and robbed Thursday night.

The thieves apparently climbed a telephone pole directly to the rear of the store, carrying with them the rope and a heavy drawer-like box. On the roof, they smashed one of the panes of a skylight, probably using the box, making an opening too small to admit anyone larger than a boy; and through this someone was lowered twenty-five feet to the floor.

The office was thoroughly ransacked, and \$35 in a bag, which Zacheo had hidden, was taken. The entire stock of cigarettes and gum was stolen, and some soda water was removed. A new supply of cigarettes had been brought in the day before.

The marauder or marauders had begun to eat some shrimps out of a can they had opened, along with several boxes of strawberries and a bottle of soda pop, when something frightened or interrupted them and they had themselves pulled up through the skylight again.

Traces of hemp were found on the ragged edges of the wire net in the skylight glass, but no traces of clothing. The heavy box was left in the store. This and the rope are now in the possession of the police.

Take First Step Toward Annexation

First step in annexation proceedings was taken Monday night at a short special meeting of the Daly City Council, called for that purpose.

A resolution was passed to start legal machinery going which may result in the incorporation of a block of land beyond the city boundary near Abbey and Thiers streets. The block is called Block 10, "Abbey Homestead."

The council was requested by the land owners in that area to start incorporation proceedings. They are George K. Smith, Charles Cherby, T. B. Strum, and Emil Scarbo.

Sixty days must elapse subsequent to the passage of the resolution before annexation can be completed.

Anniversary Edition Off To Good Start

Daly City Record Thirtieth Anniversary edition got off to a good start this week. The newspaper staff whipped into shape a first 8-page color section to be put on the press in a few days.

June 11 has been set as a tentative publication date for the edition. Its sixty pages will contain the story of the growth of this community from its incorporation in 1914 to the present thriving and expanding community.

Both pictures and articles will be used to give the complete inventory of Daly City... its businesses, its organizations, and civic and home life.

Lead In Record Tournament Hotly Contested

After seven weeks of competition the Daly City Record Bowling Tournament still shows no distinctly superior team outdistancing the rest. Only six games separate first and seventh place.

Last week's deadlock for the lead between Bank of America and Jew Town still held as the teams went into this week's play. Jew Town overcame Hilltop 2-1, and Bank of America defeated Hammar's Station 2-1.

Bank of America came back after last week's indifferent showing to beat strong Hammar's outfit. The game scores were 835-924, 856-764, and 900-725. High man for the bank was Warren with a 215 game and a 558 series. Grasse bowled tops for Hammar's with a 215 game and a 529 series.

Jew Town, in defeating Hilltop, scored 992 in their second game.

Thieves Loot Ric's Place In Colma

Taking liquor and other property valued at \$196.50, thieves entered Ric's Place, on San Pedro road, Colma, early Monday morning.

Local police investigated and found entry had been gained by breaking a rear window.

The restaurant had been ransacked. A radio valued at \$20 was taken, along with three cases of whiskey worth \$63, and about forty bottles of miscellaneous liquors.

Several salamis and jack cheeses were also carried off. Police were informed at 8:15 a. m., Monday, and are working on the case.

Boys And Girls— Do Your Swimming Free

Daly City boys and girls may earn free swims and a ten-lesson course of instruction again this summer by becoming members of the Daly City Record swimming club.

The third annual summer swimming program will be sponsored at Jefferson Union high school pool. American Red Cross instructors will handle the lesson courses.

Any boy or girl may gain membership in The Record Swimming Club by bringing to The Record office a one year new or renewal, paid in advance subscription to this newspaper. By payment of the regular fee at the high school pool the American Red Cross course and afternoon swims will be available to boys and girls who are not club members.

Roy Giusti Wins Two St. Mary's Football Trophies

Daly City can claim some reflected glory. One of her native sons, a graduate of Jefferson Union high school—Roy Giusti—kicked and passed his way to winning both the William J. Fitzgerald and James M. Smith passing and punting trophies, Sunday, before 2000 alumni attending the St. Mary's Homecoming Day program.

Giusti, a sophomore at St. Mary's, gave an amazing exhibition of power. He passed three times for an average of 57 yards. His passing accuracy was no less astonishing. From a distance of 25 feet he tossed the pigskin twice out of three through the center of a hoop between the goal posts.

Giusti booted the ball three times for an average of 68 yards. The three kicks went 74, 70 and 61 yards.

His record for the day assured him of a starting position as left halfback, Sunday. The Gaels will end spring practice then with their annual St. Mary's Club "Big Brother" intra-squad game on the campus.

Giusti's parents are Mr. and Mrs. Jack Giusti, 374 Woodrow street. He was graduated from Jefferson high in June, 1940.

To Continue Work On Street Lighting

Due to a glut of orders, P. G. & E. has been delayed in assembling and putting up the lights on Mission street and San Jose avenue that had been promised, according to Henry Sundermann, chairman of the city council light committee.

A note from the company to the councilman assured him that the work would soon be resumed and completed. A small portion of the lights on San Jose avenue have been replaced so far.

The new lights will be put up on all of Mission street from the

MORE DRAFTEES PASS Fifty-six Per Cent O. K. Physically

Fifty-six per cent of the local draftees taking physical examinations have passed them, according to information supplied by Mrs. Isabelle Flynn, clerk of local draft board, No. 103.

This is about twice the percentage passing the examination several months ago.

Draftees having taken their physical examinations total 458. Of these, 128 have been classified as IV F-1, which indicates rejection because of physical disabilities discovered upon examination; 76 were in class IB—those rejected for some slight physical disability. This adds up to 204 rejections on physical grounds. Added to these may be class IV F-2, those who have obvious physical handicaps and need not be examined.

Of the 3307 young men registered by the local board, 1738 have been classified up to the present time. Seventy-two are awaiting the results of their examination, and 66 persons, classified as A1, are awaiting induction.

Total inducted or enlisted through Draft Board 103 is 111. Of those passed by local physicians, five were rejected by the army. None sent to San Francisco by the local board has failed to report.

Occupational deferment kept as civilians 102 local men. They are in class II A. Class III A, men with dependents, included 1049 persons. Twenty-five had already fulfilled military requirements and thus were put in class IV A; 75 were in class IV C—aliens; and two ministers of religion, Class IV D, have kept their civilian status.

Miscellaneous reasons, such as a prison record, or honorable discharge from the army, put 46 in Class IV F-3. There have been 39

Scouts To March In V. F. W. Memorial Day Parade

Latest word on plans for the Memorial Day parade is that the Boy Scouts of Daly City will be marching en masse with the rest, in honor of last war's dead.

Leading them will be the Explorer's drum corps, a group of sixteen young drummers, trained by Dr. J. C. McGovern. This marching group, formerly called the South San Francisco Explorers, has been extremely popular among the Veteran posts in this area, and performed several times at the San Francisco Golden Gate Exposition.

This, the largest Memorial Day parade ever witnessed in Daly City, will begin at Huron and Mission streets at 10 a. m. and march to Vista Grande park.

The procession is being arranged by Old Glory Post No. 2044, V. F. W., and, according to members of that organization, will be impressively patriotic.

Services will be held at Vista Grande Park, where the local post will be host to the entire Peninsula.

Among the many sections of the parade will be the "Rosalyn Patriots," youngsters taught by Miss Rose. They will divert those lining the parade route.

Hammar's Station hung on to third place, despite losing two out of three, and Hilltop Lodge is right behind them in fourth place. Biggest climb of the week was made by the Independents, who beat the hapless Central Creamery 3-0. This put them only half a game behind Hilltop. Merchants Enter Final Week

With but one week of competition to go, the 9:30 Division of the Merchants' Bowling League is still in the midst of furious contention for the championship.

Curry's Barbers and Fisher's Boys have both outdistanced the rest of the league and now are tied for the lead with 47 games won and 34 lost. No other team has a mathematical chance to overtake them in the final week.

There are two other ties in the league, for fourth and for seventh. In a strong attempt to wrest the lead from each other both Curry's Barbers and Fisher's Boys won three games last week.

Curry's beat Universal Press, another local team, and Fisher's Boys beat Model Appliance and Furnishing company. For Curry's G. Curry rolled high game—219, and C. Curry high series—525. They also scored high series for the evening with 2441. Krehl scored 462, Pavlos 478, Pearlman 469, and G. Curry 504.

High man for Universal Press was Garibaldi with a 218 game and 501 series. Other scores were: Ratto 427, Benedetti 448, Dell 399, and Pace 375.

Last place Cabin Garage sprung a surprise on Milo's Butchers, taking two out of three games from them. Milo's are still tied with California General Linen for fourth place. Hallett was top scorer for the butchers with a 217 game and a 566 series. E. Milo scored 396, Thur 488, T. Milo 405, and Pace 375.

Ray And Kay Win Round-Robin Tourney

Showing speed and skill that couldn't be overcome, Ray Garasino and Kay Watso won the badminton playoff tournament at Jefferson Union high school gymnasium, Friday evening. They played before the largest crowd ever to attend a badminton tourney here.

Six teams competed for the trophies given to the winners. Ray and Kay went through the other five teams unbeaten for a standing of five won and none lost. The only threats to their supremacy were Jack and June, who won three out of their five games, and Ollie and Betty, who made the same record.

The other three teams competing in the final playoff were Bud and Grace 2-3, Bob and Gertie 2-3, and Stanley and Gertrude 0-5.

In winning the playoff Ray and Kay scored 75 points, Jack and June 70, Ollie and Betty 64, Bud and Grace 53, and Stanley and Gertrude 33.

Swedes First

The Swedes, coming from a log-house country, built the first log cabins in Delaware in 1638. The Pennsylvania Dutch and the early Irish later made them popular.

Jeff Indians Beat Half Moon Nine

Jefferson Union high school Indians really went to work on the Half Moon Bay varsity nine Friday. Scalping the "Artichoke pickers" 10 to 1, the Indians showed the league what they could expect from them this year.

Bob Nava pitched the entire game, and proved good material in his first league contest. Half Moon Bay scored their only run when the center field man dropped an easy fly, which otherwise would have given Nava a shut out game.

Bill Lekoff also played good ball and led throughout the game in hitting. He managed to hit out of 5.

Playing for the varsity were Valente, Huerta, Christen, LeKoff, Poddig, Nava, J. Razzari, Shar and Rupert. Acting as substitute were: C. Razzari, Arrighi, Raine and Bertina.

FROSH-SOPH

Friday, Jefferson's little men were led a merry chase by the San Jose Bulldogs. The Bulldog captured the winning score by two runs. At the end of the last inning the score stood 7-5.

San Jose boys managed to capture six runs in the first inning, while Jefferson chalked up four.

The team included: Chreisten, Cavagnaro, Freeman, T u v o Wright, Dave, Peterson, Lieb-scher, Fellows. Bistolf acted as a substitute.

PLAY TWO BASEBALL GAMES AT JEFF DIAMOND

Airtight pitching stopped the San Francisco Grays baseball team, Sunday, at the Jefferson high school diamond, and they lost to Vallejo Building Trades 2-9. The Grays garnered only three hits. The Vallejo nine hit safely nine times, four times in the second inning when they bunched five runs.

During the same day Mission Garage overwhelmed the Peninsula Merchants 17-1. Again it was too much pitching, plus heavy hitting, that won the game. Mission Garage piled up fourteen bingles, while the Merchants were held to three. The latter team is undergoing reorganization.

The games were under the supervision of the Daly City WPA Recreation department.

Low Death Rate

The census bureau notes that the Netherlands had the lowest death rate of any country in the world—until the German invasion. The rate was 8.7 deaths to each 1,000 population. This compared with 11.5 for the United States in 1936.

Private automobiles and buses were withdrawn from use in Denmark because of severe gasoline rationing. It was estimated 60,000 vehicles were affected.

To awaken interest in the importance of friendship and good will, so necessary among the Pan-American Republics, the pupils of Woodrow Wilson school sponsored a spectacular and colorful program commemorating Pan-American Day, last Monday.

A short play entitled "Pan-American Day" was presented. The following pupils participated: "Pan America," Gerald Plyer; "Co-operation," Barbara Whitsett; "Friendship," Robert Merritt; "Happiness," Hazel Hendrickson; "Present," Allen Pettigrew, and "Future," Pamela Pulley.

Adding much color to the program were the attractive flags and banners carried by pupils, to represent the 21 Latin American republics. The pupils participating in this part of the program were: Kathryn Brooks, Robert Plyer, Joe Mitchell, Marion Maloney, Richard Lund, Jean Noble, Harriet Voelker, Tom Thimis, Marilyn Hartley, Rafella Compani, Lucille Schreve, Helen Moore, Russel Laidlaw, Gerald Gigue, Rodney Duffy, Julio Sereni, Amelia Capurro, Billy Higgins, Eddie Gigli, Barbara Roberts and George Fair.

From the many reports of the students in Room 8 the recent Easter vacation was certainly filled with activity. Among the many students who enjoyed their holidays away from home were: Connie Kaczmark and Ruth Thompson, who visited in Santa Cruz and Rockaway Beach. Harvey Bladwin spent several days in Salinas, and Alfred and Eugene Moody vacationed near the Pinnacles.

If you want to experience the most thrilling motor car performance you've ever known—drive one of these new Chrysler eights with Fluid Drive. I'm certain that after you spend ten minutes behind the wheel—you'll never again be satisfied with any other eight!

Two skits were presented by students of the dramatics class, directed by Sigfred Hansen. Plant and insect study were demonstrated by students under the supervision of Leonel Gray and Edgar Smith.

First aid, including bandaging and the prevention of excessive bleeding, was depicted by students under the direction of Miss Ella Redkey.

New Tricks for PARTY SANDWICHES

by Dorothy Greig

Part of the fun of making party sandwiches is to cut them in interesting shapes, tiny rounds, long fingers, rolls, triangles.

THOSE razzle dazzle bites, party sandwiches, offer a real chance for originality. There are few rules and regulations governing how they should be made—or of what. What fun for the hostess with an imagination!

She can blossom out with sandwiches fashioned of any kind of bread she wishes, not to mention tiny muffins, rolls, and the many members of the cracker family. Fillings can be sweet, sour, spicy, bland, tart, smooth, crunchy, thin, thick, light, heavy or what have you. Her sandwiches may be served chilled and moist from the refrigerator, or dry and crisp, or hot and buttery. Quick, Mary Ann, hand me the breadknife. I feel a party coming on!

Unusual fillings? Try these:

Vegetable Tomato Sandwich Spread

2 tablespoons butter
¾ cup celery, very finely chopped
½ cup onion, very finely chopped
1 can condensed tomato soup
2 eggs, beaten

Melt the butter in a saucepan, add chopped onion and celery and cook until soft and yellow. Add the tomato soup and simmer 5-10

minutes. Then add eggs, cook slowly until thickened. Cool thoroughly.

To make sandwich:—Spread both slices of bread with butter, then one slice with tomato sandwich filling. Put together and cut in finger lengths, squares or triangles.

To make rolled sandwich:—Cut loaf of unsliced bread into 2 or 3 pieces. Then slice bread lengthwise, spread each slice with butter and sandwich spread and roll. Brush with butter and toast in broiler.

Bean with Bacon Sandwich Filling

1 can condensed bean with bacon soup
¼ cup chili sauce
2 tablespoons salad or mayonnaise dressing

Empty the bean with bacon soup, just as it comes from the can, into a bowl. Add the chili sauce and salad or mayonnaise dressing and mix well.

To make sandwiches:—Spread one slice of bread with butter and the other slice with the "Bean with Bacon" filling. Put together with lettuce or cole slaw.

Makes 8-10 sandwiches.
Note:—This mixture may be stored in refrigerator.

More Space

If there is too little wall space to arrange furniture attractively, a door which is not absolutely essential could be permanently locked and covered with an appropriate wall hanging. Or if the room is to be repapered, the door might be blocked in with a plywood panel and papered.

Equal Billing

George and Edward Shetler have succeeded in getting equal billing until the very last day of their high school career. Twin athletes and scholars, they co-starred in track, baseball and basketball for four years in Woodhull, Ill.

Out-of-Doors Days

Our two days in the country were, on the whole, very peaceful and I think we accomplished a good deal. I was outdoors all one morning looking at trees and planning where to put in shrubs and plants, both at the President's cottage and my own. By noon it began to rain really hard and so, at two-thirty, I did not regret delivering a speech indoors at Vassar college to a group of girls.

I saw a good many of my neighbors and read a good many things which I have been carrying around in my brief case for some time. I was back in New York city by five o'clock the next day and went to the meeting of the Men's Faculty club at Columbia university.

It seemed rather presumptuous to address people on a subject as large as: "What Is Really Happening in the United States Today," many of whom knew much more about this subject than I possibly could. I realized, however, that what I had to say was merely a preface to an open discussion.

It proved to be a very interesting evening, more profitable to me probably than to those who listened to me start it off! President and Mrs. Nicholas Murray Butler were kind enough to come to supper and I enjoyed seeing them very much.

I took the night train back to Washington.

GRADUATES

One afternoon, I received a group of winners in an essay contest from Lancaster County, Pa. They were such bright looking young people and evidently were enjoying their trip to Washington. Then we gave the annual tea for the graduating classes of the various schools. I think the group should be congratulated, for they came past me more rapidly than any other group that has ever been here.

UNION NOW

At dinner that night, Mr. Clarence Streit talked to us a little about his lectures on his plan "Union Now." After dinner, Mr. Theodore Dreier showed us some of his slides of Black Mountain college, near Asheville, N. C. This is a most unique educational experiment, where the students and faculty are not only building their own buildings, but really are attempting to demonstrate democratic procedure in an educational institution.

Then the movie, "Men of Boys Town," was shown and made a tremendous impression on everybody. I had to leave for a time to broadcast for the Federal Employees' council, but could tell on my return what a moving story it is.

COMMON SENSE

Slate Longer Summer Vacation For Jeff High
(Continued from Page 1)

Ball, has been set as June 6. Members of the committee are Alice Bistolfi, chairman; Violet Bullo, Melba Frei, Lillian Gianecchini, Amy Vincent, John Domes, Ray Garibaldi, Bill Humphrey, Ed McIntosh, Art Sadler, Betty Coen, and June Core.

Grammar schools of the Jefferson district will hold graduation, June 13, and will conclude their school year the same day.

Teaches With Films

Pant Pratinidhi, Rajah of Aundh, India, teaches his people with educational films and has made deep breathing exercises in schools compulsory.

There is an editorial in Common Sense for this month, which I think will do a valuable service in stimulating thought and argument. It is entitled "Whose Sacrifice?" I am going to quote one thought here: "Sacrifice is indeed called for. But it is the sacrifice of the old methods of unplanned, competitive, monopoly profit-seeking business, and not the sacrifice of the bread and butter of the poor."

That is a large statement with which many people will agree wholeheartedly. The difference always arises as to how we shall achieve the ends which almost anyone will concede are desirable. The editorial makes some valuable suggestions. Some of the statements are open to argument. But, after all, the value of anything which is written lies largely in its challenge to further thought and study. I hope a great many people after reading this month's Common Sense, will do some constructive thinking.

CONGRESSIONAL WIVES

I had a very pleasant luncheon one day during the week with the wives of the members of the Seventy-third congress, who came to Washington in 1933 when we did. Then I received some 200 members of the Daughters of Patriots and Founders at the White House. After that I took the plane to New York city.

I spoke at the dinner given by the New York city board of education to hear the conclusions of months of hard work and innumerable reports, made by groups of doctors and educators on the care and education of handicapped children. It is a study made in New York city, but of value to the whole country.

Changes have come about in medical care, more knowledge is now at hand and certain new techniques must be developed in order to give handicapped children the best possible opportunity for education and future usefulness in life. I hope many people will read this report, since we have, I believe, some 6,000,000 handicapped children in the country.

FRIENDS OF CHILDREN

The next noon I spoke on a broadcast which is being inaugurated by the Friends of Children Incorporated. Once a week they will broadcast an American play for children. It will go by shortwave not only to British children, but to other children throughout the world. Up to this time, the Friends of Children, Inc., have been sending boxes of clothes to children in England, but they felt that there was need for a message which would interest the children themselves and tie them closer to children in this country.

Having a special lens and a pre-focused 200 watt electric bulb, a new spotlight for amateur photographers is asserted to provide as much light as most 500 watt spotlights.

The Winners!

The winners!

Once a month four tickets are drawn in the Daly City Record Script Derby, and up come four lucky winners of free theatre admissions.

This month's winners are Judge Wade H. Clay, 79 Guadalupe avenue, Mrs. M. Kosh, 37 Bismark street, Mrs. R. Carroll, 433 Knowles avenue, and Mrs. Clifton, 179 Vista Grande avenue.

The Record's Script Derby is held the first Saturday after the fifteenth of each month at the Daly City theatre.

An "Unkissed Bride" Gets Kissed

As the heroine of "Come Live with Me," Hedy Lamarr starts out by paying James Stewart \$17.80 a week to be his "unkissed bride." But as the scene above indicates, before the final reels are over, Miss Lamarr changes her mind about the "unkissed" part of the bargain. The new comedy-romance co-stars Stewart and Hedy for the first time, and opens tomorrow on the Daly City screen.

Presenting a new romantic team which is scheduled to be one of the most popular in screen history, "Come Live with Me," co-starring James Stewart and Hedy Lamarr, under the direction of Clarence Brown, opens tomorrow at the Daly City theatre for an engagement of three days.

Based on a story tailor-made for the pair, the plot deals with a beautiful Austrian refugee who is given the alternative of marrying an American citizen and thus obtaining a quota number, or being deported to her native Austria. Preferring the former she proposes marriage to Stewart, a penniless young author. Through a purely business arrangement, the marriage is to give Miss Lamarr her number and, in return, Stewart is to have his living expenses paid until he can sell one of his novels. The complications of this strange deal, made more puzzling when the two actually fall in love, supplies the screen with one of its amusing stories.

Stewart, who stepped directly into this role from the lead opposite Katharine Hepburn in "The Philadelphia Story," is ideally suited for the characterization of

the ambitious author who finally decides to write from experience rather than imagination. Miss Lamarr comes to the role fresh from her highly applauded appearance with Clark Gable in "Comrade X."

The supporting cast is headed by Ian Hunter, as the publisher. As his wife is Verree Teasdale, remembered for her work in "I Take This Woman," featuring Spencer Tracy and Miss Lamarr.

Companion feature on the new bill will be "Trail of the Vigilantes," with Franchot Tone, Warren William, Peggy Moran.

Legion Sponsors Friday Night Whist

A. G. K. Jacobsen is chairman for the whist party to be held Friday evening by Daly City Post No. 410, American Legion. He announced today that everyone is invited to attend the party at Legion hall. Playing will begin at 8:30 p. m.

Whist enthusiasts are advised that an attractive list of prizes await Friday's players.

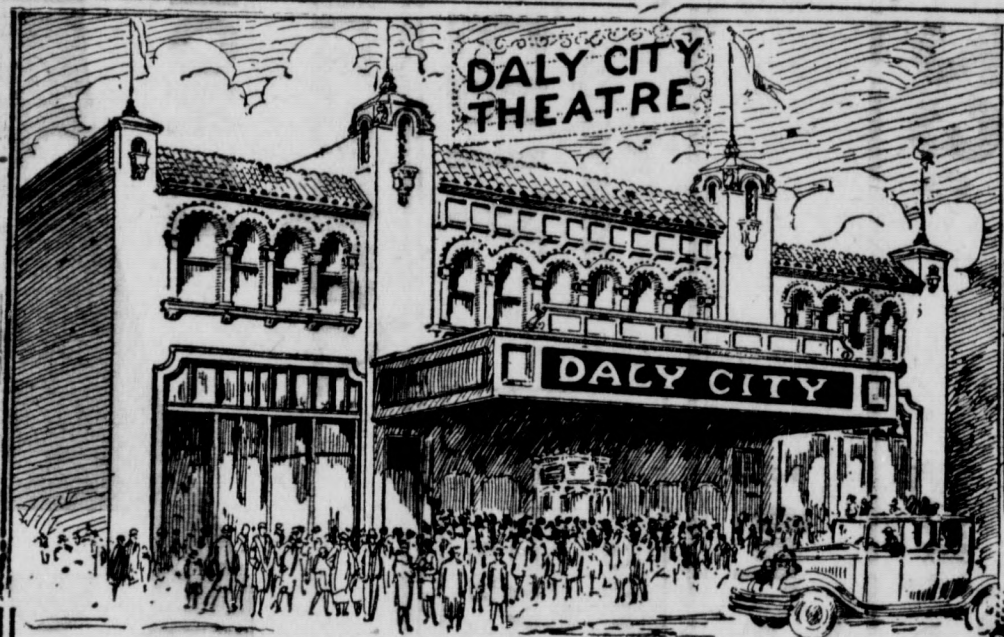

AT NAZARENE CHURCH

Reverend Weldon Stone, preacher and singer, and Mrs. Stone, musician and singer, are appearing each evening at the Church of the Nazarene, 101 Vista Grande. Reverend Stone and his wife will hold services each evening, except Saturday, at 7:45 p. m., until May 4.

The public is cordially invited to attend these church meetings. N. M. Lewis, pastor, issued the invitation.

Announce De Soto Model For Spring

Featuring entirely new interior styling, a special version of the De Soto Custom Club Coupe, called "The Sportsman" has just been announced for Spring. The new model has extra style and luxury features, according to James E. Donahue, Daly City De Soto-Plymouth dealer.

"Inside, the car is trimmed in a new kind of Club Coupe upholstery—a combination of whipcord and leather, ultra smart and practical, besides being easy to keep clean," said Donahue. "As in De Soto's 1941 Custom convertible club coupe, the leather comes in four colors—blue, maroon, tan and green—and eight car color combinations are offered.

"In addition to the whipcord and leather trim," Donahue added, "De Soto's Sportsman coupe is equipped with a special steering wheel which has a rim of cream-colored plastic with rich maroon-colored spokes, also of plastic. The cream-colored center panel is bordered by chrome-plated bars separated by maroon stripes.

"The rear compartment of the coupe provides abundant leg-room and has a deep-cushioned airfoam seat broad enough for three adult passengers," Donahue pointed out. "Chrome-framed ventilating wings give rear-seat occupants adequate light and vision."

THIS WEEK --- At Jefferson Union High School

Classes

ASSEMBLIES

Yesterday chief petty officer, T. P. Maley, Naval Recruiting Service of the Twelfth District, addressed the student body. Subject of Maley's talk was "Advantages of a Naval Career."

Thursday a pay assembly was held for the benefit of the athletic injury fund. A famous male quartet, who sang Mississippi folk songs and negro spirituals, was enjoyed by the student body.

SERGEANT-AT-ARMS

In last Tuesday's executive board meeting Jack Faulk, former Sergeant-at-arms, relinquished his office. Voted to take his place was John Domecus.

CLEAN-UP WEEK

Friday morning, President John Razzari, called a special meeting to select a committee for clean-up week. Monday through Friday has been set aside by the executive board as clean-up week.

Various sections of the campus were assigned to each class president to later be distributed among their committees.

Bud Fellows, freshman president, was assigned to the courts and gym; Kay Lopresti, sophomore president, baseball field and around the new building; Rose Marie Carlson, junior president, senior room and west court; Dina D'Elia, senior president, halls and grounds in front of the school.

DRAMATICS

"Busy as bees" is a good description of the dramatics class. Friday the class gave clever imitations of famous radio and screen stars.

Today the class and stage crew, accompanied by Sigfred Hansen, Durant Moseley and Mr. and Mrs. James Ferguson, will attend the matinee performance of "Spring Time for Henry."

PUBLIC SPEAKING

The public speaking class and the student body in general were quite thrilled in placing fourth in the California Bankers' contest. The honor was won by Robert Grimes when he presented his speech, Thursday, at Sequoia high school. C. S. F.

Approximately fifteen students travelled down the line to attend the semi-annual C. S. F. convention. The convention was held at Los Gatos high school.

Accompanying the students were Jack Chapman and Mrs. Dorothy Pendergast, faculty advisors.

Campus Fashions

New coiffures are simple arrangements created to make a pretty girl prettier. Glamorous styles for school are taboo with campus queens, so state artists of comb and curlers.

"Band-up" coiffures are the latest hair style. Beauty operators stated it would even make grandmother look like a girl again. Here is a step by step description of how to obtain this simple hair-do.

Have your beauty operator cut the front hair fairly short, set in upturned pin curls from the hairline to the top of the head, and brush the side hair up from the temples. Wave the side upsweep slightly and set forward in two curls and pinched to the top of the head just behind the curled bangs.

The back hair is brushed smoothly over the head without even the slightest notion of a wave.

If you have long ends, turn them under on bits of rolled paper as you would for a page boy. After your hair has set, fluff the bangs into tiny curls on the front of the head. The back hair is not left in pageboy but brushed out in soft loose curls.

Speaking of hair, this week's fashion bouquet goes to a fair haired maiden. Her hair is of the palest yellow, and all fluffed in cute little ringlets. Her eyes are sky blue and the combination is "perfect."

Her pet peeve No. 1 is girls who smoke and her pet like is flowers and more flowers. Her hope is to some day attend the University of California.

In case you are still a little doubtful about this week's "one n only," she is little Rose Marie Carlson.

Rose Marie was attired in a light blue sweater, and a matching blue peasant skirt. Tied around her throat was a fluffy white scarf.

A huge bouquet of mixed flowers is handed this week to our campus queen, Rose Marie.

Music BAND

Last Wednesday at the regular meeting of the High School P. T. A., held in the auditorium, the band played several selections. Numbers played by the band were: "Peer Gynt Suite," by Grieg, "Morning," and "In the Hall of the Mountain King."

At the close of the music, Oscar Busch, musical instructor,

spoke briefly on musical instruments. He explained which are used in the modern band and how they comprise the woodwind, brass, and percussion section of the band.

Today during assembly period, the chorus, under the direction of Busch, will present the students with a musical program. Eugene McClain will play a piano solo.

COWBOY BAND

This Friday evening Lembi's entire unit, Indians of Rhythm and Cowboy Band, will play for the third annual carnival dance. Dancing will be enjoyed by the students from 8:30 to 11:30 p. m.

Sports

GOLF

Thursday, Jefferson's tee men played a tough game against San Mateo high school. The Indians took the San Mateo boys for a ride and brought home a 12-0 victory.

Playing for Jeff were: Bob Dyer, Pete Gilson, Fred Fazio, Beno Ottonello, Gordon Perry, Eugen Carboni, Serafini Ragni, and Bruce Brown.

GPAL

Closing of basketball season brought out the dates set for the beginning of volley-ball. So far the following dates have been scheduled. Interclub, May 7, 12, 14; interperiod, today after school and April 28, 30 and May 5.

Winners of the interclub and interperiod will be announced later.

Colma Jaycee Student In Radio Program

Gerald Robertson, 101 Alternate highway, Colma, recently participated in a program presented by San Mateo junior college. Robertson graduated from Jefferson Union high school, June 6, 1939.

The radio program was presented by fifty of the college students in a broadcast to North and Latin America, last Monday. It was in observance of Pan-American day.

Four Local Students Make Honor Society

Four Jefferson Union high school alumni were among the 81 San Mateo Junior college students to earn membership in the college's honor society, it was announced today by college authorities. The students won the honors through their fine work last semester.

Receiving their membership were: Hazel Hill, 5 Bismark street; Joseph Nicoletti, 157 Bellevue avenue; Charles Yonan, 196 Irvington street; Joseph Ciardella, Colma.

To Girls' State

One of the two pretty girls pictured above will represent Daly City at Girls' State, which will be held in Sacramento the latter part of June.

Citizenship, scholarship and all-around good sportsmanship were just a few of the requirements upon which these girls were judged.

Left to right are Rose Marie Carlson, alternate, and Patricia O'Brien, representative. Both girls are high juniors at the Jefferson Union high school. Daly City Unit No. 410, American Legion Auxiliary, sponsors the girl at Girls' State.

Houses for Poor

Benjamin Mason, Philadelphia Negro, on relief, won \$150,000 in an Irish sweepstakes, and promptly took his winnings and put them into a housing project for 71 families, thus replacing a slum block. The Housing authority advanced the remainder of the money.
